Free Lesson Pack – Ages 7 – 9

This free lesson pack offers a **guided sample of how French is taught at Ages 7-9** using our *Learn as you teach* approach. It brings together materials from across the Essential French range to support **Lesson 1** of the *About Ourselves* unit, while also show how different resources work together in practice. Full Essential components are outlined overleaf.

The pack contains:

One FREE Lesson Presentation:

1. To introduce ourselves.

One Lesson Plan:

One succinct lesson plan for the first lesson in our *About Ourselves* Level 1 (Ages 7 -9) series.

One transcript:

A French-English transcript of the lesson.

One Flashcard Pack:

A small set of greetings flashcards used during teaching.

Level 1 MFL Overview and Workscheme:

This overview provides a summary of all the unit themes and lesson objectives for the level. It also highlights the key language covered in each unit theme.

Essential Unit components and licences:

All *Essential Unit* components are available separately for purchase and include the following four learning packs:

- The *Essential Unit* includes six *Presentations* (one for each learning objective in the unit), accompanied by *Lesson Plans* and a complete set of *Transcripts*, with English, and answers. Screens 5-7 incorporate differentiation, with the language becoming more complex as the teacher works through the lesson. Additionally, an *Overview* of all the language objectives and structures is included, together with a *Vocabulary* and *Grammar Guide*.
- The *Workbook* comes in a single-sheet, A4 (letter-size) format along with a *Workbook Guide* that includes a transcript for each worksheet, an English translation and answers to the activities. The *Workbook* also includes differentiation through tasks A-C, which roughly equate to screens 5-7 in the *Presentations* detailed above. Additionally, the *Essential Workbook* includes a presentation with the relevant listening activities from the *Essential Unit* above. There are also two spelling
- The *Flashcards* include A4/A5 (letter and half-letter size) PDFs featuring key language and vocabulary from the unit.
- A vibrant, A4 (letter-size), colourful, illustrated *Learning Mat* for pupils.

Essential unit components come with a **licence** that teachers, tutors, or parents can use to create materials for their individual classes, families, or groups. The licence is not transferable to any other individuals or teachers working within a school. Materials **may not be** uploaded to a server.

Premium Unit components and licences:

The *Premium Unit* has everything you need to succeed! It includes all of the *Essential Unit* components listed above, plus A3 (tabloid) *Class Posters* displaying some of the language structures and vocabulary covered in the unit. You'll also receive an additional A3 (tabloid) version of the *Workbook*, which can be folded to make an A4 (letter-size) booklet. And don't worry about spelling differences between the UK and US; we've got you covered with both versions!

Every *Premium Unit* component includes permission for **school sites**. This allows you to upload materials to your school server for access by other teachers within your school.

Please note that this **site licence may not be extended** to tutoring organisations, clubs operating at multiple venues or local authorities. Such organisations should contact the publisher to arrange a separate licence that meets their specific needs.
